

VILLA SAYANG

GILI MENO

HILLIDAY ON THE INDONESIAN DREAM-ISLAND 'GILI MENO'

Gili Meno, the tropical island dream! It's the middle and the most quiet of the three small coral islands in the north-west of Lombok - Indonesian. It's surrounded with snow-white, fine sand and crystal-clear, turquoise coloured water, which invites to snorkel, bathing and diving. There are no cars or motorbikes, the only means of transportation are horse carts.

On the sea promenade you can find restaurants, small island supermarkets, an internet cafe with public phone, the dive school Blue Marlin Diving Adventures and several sellers for boat excursions for snorkelling or visiting Gili Air or Gili Trawangan. Don't miss the sunset on the islands Westside, which you can enjoy best from the restaurant "Good Heart". The cidomos (horse cars) for a trip around the island are located at the boats landing place. The price is negotiable. On foot it takes approximately 1 1/2 hours.

GUESTHOUSE SASIBA

LOMBOCK

HILLIDAY ON THE INDONESIAN ISLAND 'LOMBOCK'

A little like holiday on a farm with goats, ducks, chicken, geese and dog. For your stay in Lombok we recommend our small private guesthouse, 15 minutes from the airport, surrounded by rice fields, on the edge of the sleepy fisher village Aik Genit-Montong.

> GUESTHOUSE SASIBA

There are 2 double bedrooms with a living room, terrace and a bathroom (including mosquito net, fan and fridge). From here you can start various activities as hiking, golfing, biking, organized one or several days tours, visit art and craft shops. After relaxing in the garden and eventually foot-reflexology massage or reiki, you can enjoy nightlife in Senggigi or enjoy just a dreamful sunset. To the beach, it is a 10 minute walk. It is possible to use the swimming-pools of the nearby Jayakarta Hotel for a small fee. The town Ampenan and the tourist-center Senggigi are simple and fast (about 4 km) to reach with the Bemo (minibus), taxi or horse-carriage.
